FALL OF 1895.

TERMS AND CONDITIONS OF SALE.

The prices quoted in this List are expected to apply only where the specified quantities are taken, except as follows strictly: *Where the order amounts to $10 or over, five hundred* will be supplied at *thousand* rate; *fifty* at the *hundred* rate; and *six* at the *dozen* rate. At these wholesale prices, in the case of fruit trees, etc., the *varieties* are to consist of leading popular sorts, such as we cultivate in considerable quantities. See Descriptive Catalogue for list of varieties cultivated.

TRANSPORTATION—In furnishing trees, etc., on the terms of this Price List we cannot be responsible for the accidents or delays of transportation. All articles after leaving the Nursery in good condition, are entirely at the risk of the purchaser. Except in case of accident or gross carelessness, our packages will endure the longest journey in perfect safety.

GUARANTY—We honestly believe every tree which we send out to be genuine and true to label; and we are willing, and hold ourselves ready in every instance where a variety does not prove to be the correct one, to refund the purchase money or replace the trees, free of charge to our customer; but beyond this we do not hold ourselves liable for constructive damages by reason of errors.

OUR OFFICE, Greenhouses and Nurseries are situated at the corner of Culver and Clifford streets, about three miles from the center of the city. We shall be happy to welcome our friends there, and if those intending to visit us will telephone to us before leaving the city we will meet them at the eastern end of the Parsells Avenue electric car line with carriage.

TERMS CASH, except by special agreement. On account of the perishable nature of the goods, *we decline to forward any orders C. O. D.*, unless accompanied by a remittance sufficient to secure us from possible loss.
